Franklin County Dog Shelter & Adoption Center 🐾

Dog Shelter Breaks Another Record 215 Dogs Adopted Last Week

When the spring influx of new dogs pushed our shelter population to near 300 last week, we were rapidly running out of space. We asked the community for help finding homes for the dogs waiting to be adopted and waived the usual adoption fee for one week. The community's response was phenomenal.

During our spring adoption special last week you helped us find homes for 215 dogs and puppies! We broke another record for most dogs adopted in a single week. The staff, volunteers and the dogs all thank you for your support and understanding during a very busy time.

One of the busiest shelters in the state, the Franklin County Department of Animal Care and Control impounds approximately 10,000 canines annually. 80% of those are unclaimed, unwanted dogs without any form of ID.
